No objections here. Good to hear that approval should be forthcoming on the Eagle Ford 114s!

Apple and Greg,

I thought it might be interesting to touch on the attached Colorado administrative settlement in our Oil and Gas biweekly tomorrow. I was surprised at how much detail the state is comfortable with including in an administrative settlement, and at how closely it tracks our federal settlements. Also, Patrick met Robyn Wille with the Colorado AG's office at the CLE luncheon on Monday, and my understanding is that Robyn sent a copy of this directly to Patrick, so I thought you should have a copy as well.

Thanks,

Ginny

At long last... attached is the first state-only MEP settlement, fully executed as of today. Some of the appendices are CBI, so I have not attached them here.

Thanks,
